**Blankinship & Foster Expands Executive Team To Better Serve Women's Unique Financial Needs.**

SAN DIEGO, CA — Blankinship & Foster advisor Teresa Kakadelas (CFP®, CDFATM) has joined the firm's Executive Team to help set the strategic direction of the firm going forward.

As a member of the Executive Team, Teresa will be a key part of the firm's leadership, lending not only her expertise as a financial advisor, but also a female perspective about women's unique financial needs. Teresa's advocacy for empowering women financially, and her Certified Divorce Financial Analyst® (CDFATM) designation, will further strengthen Blankinship & Foster's commitment to assisting women in transition with financial planning.

*"Women in transition, whether through divorce or the death of a spouse, often face unique challenges—and in the midst of very challenging life circumstances, require compassionate guidance for weighing important emotional and financial considerations carefully."* Said Kakadelas. *"I look forward to working with this thoughtful and innovative executive team that continues to search for ways to best serve not only our female clients, but all our clients."*

Teresa has been an advisor with Blankinship & Foster since 2005. She leads the firm's Financial Planning Team, continually identifying and helping solve financial planning issues for clients. Teresa started the firm's "Wise Women" luncheons, designed to help female clients with financial education. She finds professional satisfaction in helping clients clarify and simplify their financial lives and plan for the future.
